CSS

HTML

## 📁 EMPLOYMENT HISTORY

### CSA at Amazon, New Cairo

September 2022 — December 2023

### Free Lancer at Free lancing, Remotly

September 2022 — Present

I started learning the front end development course besides my work, I learned HTML and CSS and applied them to some small projects, but within 3 months of learning I had started doing small projects such as emails, but I definitely need to practice working on a daily basis with daily commitments and I Very fast learner and I love this field

## 🎓 EDUCATION

### Faculty of Commerce, Zagazig Univacity, Zagazig

January 2016 — September 2020
